In one sentence: Really nice trail for a grey afternoon to just get your head free!

**Starting point**  
„Wiesenweg“  
Schauinslandstr. 20  
79110 Freiburg

**Getting there:**  
Take the Tram 2 until  
„Wiesenweg“

In the beginning walk on the Schauinslandstraße for 100m and turn right into the “Hirschstraße” until you see a path up the hill. Follow it to the “Waldstraße” and turn left.

You are passing by the “Marxenbrunnen” (1) where you can take a break and drink some fresh water. Here you can also see a sign with “Illenbergweg” pointing the
direction to the highest tree of Germany. Follow this path for 2km. You should see the “Waldtraut” on your left. (2)

Walk on until you see a small path on your right. Take that path for 1km to the top of the hill. Keep walking and after another kilometer you have a wonderful view on Freiburg. (4)

Turn right at the next corner (here you could include the Sculpture path, see variations). You are crossing the “Luisenstraße” and “Waldstraße” and walk on until you reach the “Hirschstraße” where we were also in the beginning. Here turn left and at the road left again to come back to our starting location.

Variations:

- longer version: include the Sculpture-Path and start at “Wonnhalde” (one Tram-Station before)
- shorter version: just go to the Waldtraut and on the same way back
